

ICAR-NIAP organised a seminar on "Climate Change: Impact on Agriculture and Cost of Adaptation" on 20th August, 2019 at NIAP Auditorium. Dr Suresh Pal, Director, NIAP welcomed and introduced the speaker, Dr. Channing Arndt, Director of Environment and Production Technology Division, IFPRI. Dr Shahidur Rashid, Director for South Asia, IFPRI graced the occasion. The lecture was followed by discussion with colleagues from NIAP, IFPRI and our sister institutes in Pusa campus.
