Does it concern the life or Liberty of a Person ? :	No(Normal)	Request Pertains to :	
Information Sought :	Dear Sir/Madam, I promote Cotton Farmers to put HDPS system to increase cotton productivity in India. But to Pick HDPS Grown Cotton, Machine picking is must as the productivity is higher and single picking happens. For this Harvesting Aids (Defolient) are required to ensure Cotton Ball opening in time which ensures right productivity. Can you help sending the details/Policy document of Harvesting Aids (Defolient) why these are not allowed.
